Dear Sir:

In response to the final Office Action mailed June 17, 2005, Applicants filed an initial reply within two months, or August 17, 2005. An Advisory Action was mailed September 23, 2005, after the initial due date for responding to the final action. It is not believed that extension for time or fees for net addition of claims are required, beyond those which may otherwise be provided for in documents accompanying this paper. However, if additional extensions of time are necessary to allow consideration of this paper, then such extensions of time are hereby petitioned under 37 CFR §1.136(a), and any fees required therefore, including fees for net addition of claims, are hereby authorized to be charged to Deposit Account No. 08-2025.
